Miss Teresa Téllez,
Latin American Section,
National Academy of Science,
Washington, D. C.

Dear Teresa,

It was very nice of you to send me the First-Day-
of Issue envelope bearing the new Science Commemorative
Postage Stamp, which I will be glad to keep as a memento
of the anniversary as well as of your kindness.

I hope you are well and with best regards, I remain,

Sincerely yours,

Ricardo Monges López.
