TWELFTH INTERNATIONAL ASTRONAUTICAL CONGRESS

Washington, D. C. • October 2-7, 1961

July 6, 1961

Memo on the XIIth International Astronautical Congress

As Chairman of the XIIth International Astronautical Congress to be held in Washington, D. C., U. S. A., October 2-7, 1961, I would like to extend the invitation of the American Rocket Society to you to attend the Congress.

The enclosed material outlines the proposed schedule of events and the arrangements that have been made for the meeting. We feel that the planned technical sessions will be of great significance and value to everyone interested in the field of space flight.

Enclosed is the first Congress bulletin. We plan to issue further bulletins as new developments come up in the planning of the program for the meeting. When the final program is printed, we will send you a copy. In addition, the ARS headquarters in New York would be most happy to give you any other information you desire on the meeting.

To help us in our planning, it would be appreciated if you would indicate on the enclosed form whether you will attend the Congress and enclose your check for registration and banquet tickets.

Cordially yours,

Samuel Herrick, Chairman
XIIth International
Astronautical Congress
