Dear Prof. Morelli:

First of all I want to thank you for your letter of July 4, acknowledging receipt of my letters of August 15, 1959 and January 20, 1960.

I also wish to thank you for your circular letter of June 30, 1959, which I have just received due to the fact that you sent it to our old address. I would appreciate your taking note of our new address:

Instituto de Geofísica
Torre de Ciencias, 3er Piso
Ciudad Universitaria
México 20, D. F., México

I am very sorry to say that I will not be able to go to Helsinki because of my work here at the University and, therefore, will not be able to meet you over there.

With kind regards and best wishes, I remain

Yours sincerely,

Ricardo Monges López
