Dear Sirs:

For several years I have been a member of that American Geophysical Union and regularly paid my dues. The last check I sent you was on February, No. 3187335 (Chase Manhattan Bank of New York), in the amount of \$10.00 Dlls.

According to what you mention in your publications, all classes of membership carry the privilege of receiving the JOURNAL OF GEOPHYSICAL RESEARCH and the TRANSACTIONS, without further payment.

Since this year I have only been receiving the Journal, I would appreciate your sending me, if possible, the back numbers of TRANSACTIONS, which I stopped receiving in 1959.

Thank you in advance.

Very truly yours,

Ricardo Monges López
